Dear Representative Barr:

On behalf of our six million members across the country, the National Rifle Association Political Victory Fund (NRA-PVF) is proud to endorse your candidacy in the November 6, 2018, election for the U.S. House of Representatives in the 6th Congressional District of Kentucky.

Thank you for standing strong for freedom and defending NRA members and law-abiding gun owners in Kentucky and throughout the United States. Based on your consistent and proven voting record on Second Amendment issues in the U.S. House of Representatives, you have earned an "A" rating from NRA-PVF for this election. An "A" rating is reserved for a solidly pro-gun legislator who has supported NRA positions on key votes and issues.

We greatly appreciate your vote for the Concealed Carry Reciprocity Act, which is the strongest piece of self-defense legislation to ever come before Congress. This important bill would ensure that the nearly 20 million law-abiding Americans who can carry a concealed firearm in their home state are able to do so in any other state that does not prohibit it.

In addition, we applaud your votes to strike down an Obama-era regulation that stripped Social Security recipients of their Second Amendment rights without due process, and for legislation to protect veterans' Second Amendment rights.

Finally, thank you for consistently opposing all attempts to ban lawfully-owned firearms, magazines and ammunition, and standing strong against the Pelosi/Schumer/Bloomberg gun control agenda.

Congratulations on your "A" rating and endorsement, and thank you for your strong support of the Second Amendment. Good luck with your campaign, and we look forward to our continued relationship.

Sincerely,

Chris W. Cox
